Dear Ms Aron:

Thank you for your generous in-kind donations to Autism Ontario, Art Auction and AMR Golf Event. Your donations help us to help families of children with Autism Spectrum Disorders (ASD) cope with the every day stresses that come with the challenges of raising a special child and provide their children with the best opportunities for their development.

In the past two years, Autism Ontario has been working to do many things *"to ensure that each individual with ASD is provided the means to achieve quality of life as a respected member of society"*. We have:

- Offered workshops, training and information about autism in local communities
- Stayed informed about programs, issues and provincial matters that affect people with ASD
- Supported young researchers with post-secondary education scholarships
- Awarded post-secondary scholarships for people with ASD and for their siblings
- Mailed the *Autism Matters* magazine to every school in Ontario (over 6,000) and developed a subscription program
- Continued a province-wide awareness *Together for Autism Day* campaign which provided every school in the province of Ontario, the opportunity to gain a better understanding and acceptance of people with ASD (this year over 600 groups participated)
- Created resource materials such as manuals which help parents, educators and professionals
- Met with government leaders (MCYS, MCSS & the Ministry of Education) to improve the lives of children with autism and their families
- Emphasized the needs of adults on the autism spectrum

We value your support and welcome your questions and comments about our work. Be sure to visit our website for information about our activities. www.autismontario.com
